¹ See *Streamlined Process for Resolving Requests for Review of Decisions by the Universal Service Administrative Company*, CC Docket Nos. 96-45 and 02-6, WC Docket Nos. 02-60, 06-122, 08-71, 10-90, 11-42, and 14-58, Public Notice, 29 FCC Rcd 11094 (WCB 2014). Section 54.719(b) of the Commission's rules provides that any person aggrieved by an action taken by a division of USAC, after first seeking review at USAC, may seek review from the Commission. Section 54.719(c) of the Commission's rules provides that parties seeking waivers of the Commission's rules shall seek review directly from the Commission. 47 CFR § 54.719(b)-(c). In this Public Notice, we have reclassified as Requests for Waiver those appeals seeking review of a USAC decision that appropriately should have requested a waiver of the Commission's rules. Similarly, we have reclassified as Requests for Review those appeals seeking a waiver of the Commission's rules but that are, in fact, seeking review of a USAC decision.

² See 47 CFR §§ 1.106(f), 1.115(d); see also 47 CFR § 1.4(b)(2) (setting forth the method for computing the amount of time within which persons or entities must act in response to deadlines established by the Commission).

³ We remand these applications to USAC and direct USAC to complete its review of the applications and issue a funding commitment or a denial based on a complete review and analysis, no later than 90 calendar days from the release date of this Public Notice. In remanding these applications to USAC, we make no finding as to the ultimate eligibility of the services or the petitioners' applications. We also waive sections 54.507(d) and 54.514(a) of the Commission's rules and direct USAC to waive any procedural deadline that might be necessary to effectuate our ruling. See 47 CFR § 54.507(d) (requiring non-recurring services to be implemented by September 30 following the close of the funding year); 47 CFR § 54.514(a) (codifying the invoice filing deadline).

⁷ See *Requests for Waiver and Review of Decisions of the Universal Service Administrator by Agri-Business Child Development et al.; Schools and Libraries Universal Service Support Mechanism*, CC Docket No. 02-6, Order, 35 FCC Rcd 8278, 8280, para. 7 (WCB 2020) (*Agri-Business Child Development Order*) (finding good cause to waive the FCC Form 471 application filing window deadline for applicants impacted by the coronavirus (COVID-19) pandemic that requested a waiver of the filing deadline and submitted their applications within 60 days of the close of the filing window). Because the *Agri-Business Child Development Order* was released August 6, 2020 after the funding year 2020 window had closed, the Bureau also found good cause existed to waive the funding year 2020 FCC Form 471 application filing window deadline for those applicants filing their applications on or before that date, waiving the filing deadline for applications that were up to 99 days late. We extend this waiver standard to funding year 2021 applicants but emphasize that this additional relief applies only to this subset of applications and applicants should not expect the Commission to grant additional waivers absent a showing of extraordinary circumstances.
